Dancers from across the United States, and internationally, from Mexico, Hungary, China, and Korea will join the New York's active dance community to offer the full range of new directions in Dance in the 21st century.

WHITE WAVE Vision & Mission:

Formed in 1988, WHITE WAVE Young Soon Kim Dance Company (WHITE WAVE) strives to inspire audiences through multi-dimensional dance productions reflecting themes and philosophies both modern and timeless. Our mission is to be a potent stimulus for change and expansion of the dance/arts world through the production of dance concerts, classes, residencies, and education. Artistic Director Young Soon Kim's vision is expansive, challenging the threshold of dance, music, theater and visual art, surging forward to create new possibilities. Ms. Kim creates works of vision and movement language in reverence and awe of novelty that challenge and broaden the boundaries of dance. www.whitewavedance.org.

A Brief History of WHITE WAVE Dance:

WHITE WAVE is dedicated to inspiring audiences through multi-dimensional dance productions reflecting themes and philosophies both modern and timeless. We constantly strive to be a potent stimulus for progress and evolution within the dance/arts world, by producing dance concerts, festivals, and educational activities, WHITE WAVE Dance provides both nascent and seasoned choreographers/companies with an encouraging environment where they can create, collaborate, and present new works in the undisputed capital of world dance, New York City.

WHITE WAVE created DUMBO DANCE FESTIVAL in 2001 in response to the Dance community's need for performance opportunities that would not only present, but also produce, the work of rising choreographers at minimal expense for the artist. The festival is now recognized as New York's most prestigious gathering of pioneering choreography, encouraging experimentation, creativity, and originality. In its 20-year history, WHITE WAVE Dance has proudly presented over 2,800 choreographers/dance companies and over 18,500 performers to a total of more than 82,500 audience members.
